

## NEW RULES READY

Joint Committee of House and Senate Has Sent Report to Gov. Bell.

## SEVERAL CHANGES MADE

Proposal to Have Committee on Corporations Divided into Two—A Revision Committee Recommended Who Shall See All Bills before Introduced.

Montpelier, Sept. 13.—Attorney-General C. C. Pitts, Lieut.-Gov. C. H. Burns, Speaker John H. Merrifield, Mr. K. Farnsworth, secretary of the Senate, and T. C. Cheney, clerk of the House, composing the joint committee appointed in 1904 to revise the rules of the Senate and House, have completed their work and their report is now on the way to Governor J. Bell, who will refer to it in his closing message. This report recommends dividing the committee on corporations, which always has more than its share of work, into two committees—corporations and municipal corporations and adding to the list of committees one on appropriations and one on street railways. A revision committee is also recommended which shall be referred all bills before they are introduced in either house to see that they are not covered by existing statutes and that they are not in legal form.

**PROCTOR ENGAGES QUARTERS**  
Montpelier, Sept. 13.—Gov. C. J. Bell and elect Fletcher D. Proctor were in town for a few hours yesterday afternoon, coming from Waterbury, where they visited the State hospital for the insane, and going to their homes on the evening train. Mr. Proctor, who is a native of the city, held informal conferences with prominent Republicans, and was warmly congratulated on every hand over his decisive victory on election day.

## BARNEY CANNON DEAD.

and Been Postmaster at Bellows Falls for Many Years—Funeral Sunday.

Bellows Falls, Sept. 13.—Barney Cannon, postmaster at Bellows Falls, died at 10:30 a. m. Monday. The death of Mr. Cannon moves one of the strongest personalities of the community. Prominent in town and in life he had been honored politically in Grand Army circles, where he was highly respected. For the past few years he had been in ill health, a serious heart affection at times preventing him from doing his usual work. He had been gradually failing for some time, but on Thursday last a change for the worst took place and he died gradually until the end of day.

Mr. Cannon's boyhood was spent in Andover, Windsor and Rutland counties. He was largely instrumental in the reorganization of E. H. Stoughton Post No. 24, in July, 1880, of which he was 30 years old, and three years later he was elected to the post of commander. He was aide de camp of General Sherman in 1865, and was adjutant-general of department of Vermont in 1862 and was department commander in 1863.

Mr. Cannon's term of service as postmaster at Bellows Falls covered a period of sixteen years. During the Cleveland administration he was appointed postmaster in 1890. Mr. Cannon's career in the U. S. A. R. was stable. He joined Sedgwick Post in 1868, of which he was 16 years old, and two years later was elected to the post of commander. He was largely instrumental in the reorganization of E. H. Stoughton Post No. 24, in July, 1880, of which he was 30 years old, and three years later he was elected to the post of commander. He was aide de camp of General Sherman in 1865, and was adjutant-general of department of Vermont in 1862 and was department commander in 1863.

OFFERED POSITION IN THE ARMY.  
Springfield, Sept. 13.—A special despatch from Washington was received to-day by R. Barney of this town offering him the position of third lieutenant of the Infantry of the Philippines. Barney is a graduate of Norwich University, class of 1896, and is at the head in many of his studies. He is fine in military drill and will make a commanding officer of ability. He has been employed for the last two months in an office at Pittsburg, Pa.

## KING'S DAUGHTERS' HOME

Will Provide for Feeble Minded Girls—Next State Convention to Be Held in Richmond—The Officers.

Richmond, Sept. 13.—The 19th annual convention of the International Order of the King's Daughters and Sons was concluded this forenoon and the delegates left for their homes.

The exercises were opened this morning at 8:30 o'clock with a devotional service led by Mrs. J. M. Robb. A "Symposium on Methods" was conducted by local leaders. This was followed by a question box and roll call of delegates.

The following officers were then elected: Secretary, Mrs. E. M. Denny of Montpelier; assistant secretary, Mrs. F. M. J. Guernsey of Montpelier; recording secretary, Mrs. B. C. Sheldon of Swanton; treasurer, Mrs. L. J. D. Burt of Randolph; auditor, Mrs. A. J. Mialom of Rutland; Mrs. F. Stewart Stranahan of St. Albans was elected to represent the Vermont branch at the central council to be held in New York.

It was voted to establish a home for feeble minded girls and the sum of \$10 was appropriated as the nucleus of a fund. The name, location, and other details have not been decided.

It was decided to hold the next State convention in Richmond in October, 1907. The committee on resolutions and literature then reported, after which an impressive admission service was conducted by Mrs. Minnie Laird of New York, seven members being received.

The session closed with a benediction service led by Mrs. Minnie L. Laird and Mrs. Mead Denny.

The convention met at the Baptist Church yesterday afternoon at 1:45 o'clock. The session opened with a memorial service led by the Rev. S. H. Smith and the Rev. W. G. Scofield. A solo, "Evening and Morning," was sung by Mrs. R. M. Pelton, of this place. The minutes of the preceding convention were then read and accepted and the report of the assistant secretary was read and approved. The financial report of the treasurer was given by Mrs. E. H. Deavitt, of Washington county, Mrs. Kate S. Towler, of Chittenden county, Mrs. E. J. Wallace, of Windsor county, and Mrs. A. J. Halcom, of Rutland county.

It was moved and adopted that the following be accepted as a State motto: "Work while the day lasts, for the night cometh when no man can work."

"I expect to pass through this world but once; any good thing, therefore, that I can do, or any kindness show, to any fellow human being, let me do it now; let me not defer or neglect it, for I shall not pass this way again."

At four o'clock an interesting talk was given on the "Intermediate Conference" and other phases of the work of the King's Daughters by Mrs. Minnie L. Laird, State secretary of New York. A committee was appointed to consider the matter of providing for girls of feeble minds who are too old for children's homes.

The following committee was chosen: Mrs. L. B. Lord of Burlington, Mrs. F. S. Stranahan of St. Albans, Mrs. Kate Towler of Rutland, Mrs. C. H. Penoyer of Springfield, Mrs. L. M. Bingham of Burlington.

It was voted that it would be advisable to appoint one Sunday in the year in which to ask the clergymen to preach in the interest of the King's Daughters and the service began at seven o'clock with a praise service led by the Rev. W. G. Scofield, followed by a soprano solo, "O Dry Those Tears," by Miss Edith Shingraw of this place. An address on "Higher Grounds" was given by Mrs. Minnie L. Laird of New York.

An auto solo "Rock of Ages," by Mrs. R. M. Pelton of this place, closed the evening programme.

There are organizations of the King's Daughters and King's Sons in eleven of the fourteen counties of Vermont.

**ELECTRICAL ASSOCIATION.**  
Annual Meeting in St. Johnsbury Closed Thursday—Meet Next Year in St. Albans.

St. Johnsbury, Sept. 13.—The fifth annual meeting of the Vermont Electrical Association closed a two days' session this evening. It has been the largest in attendance in the history of the association and about 70 active and associate members have been here. At the business meeting this afternoon three new active members were admitted to the association and these officers elected: President, George S. Haley, Rutland; first vice-president, E. E. Larabee, Bennington; secretary and treasurer, C. C. Wells, Middlebury; executive committee, Frank Collins, White River Junction; J. E. Davidson, Montpelier; E. D. Blackwell, Brandon; E. C. Parker, Vergennes; F. H. Foot, St. Albans. The next annual meeting will be held at St. Albans.

Yesterday was given up entirely to social functions. A special train carried the party to Joe's pond at West Danville, where a genuine Rhode Island clam bake was served on the shore, followed by informal toasts, sports and a base ball game. In the evening the party had an informal reception in Pythian hall.

This morning the party visited the scale works and the power station of the St. Johnsbury Electric company. In the afternoon a paper on recent mechanical lamp improvements was presented by Francis W. Wilcox, the president of the St. Johnsbury Electric company. The meeting closed this evening with another reception in Pythian hall, where music was furnished by an orchestra and entertainment by Frank O. French, monologist, from this place.

## INSPECT STATE ASYLUM.

Gov. Bell and Gov.-Elect Proctor Visited Institution Thursday.

Waterbury, Sept. 13.—Gov. C. J. Bell was given today to make the annual inspection of the State Hospital for the Insane. Governor-elect Fletcher D. Proctor arrived on the morning train and the visiting and incoming governors inspected the institution together. Much time was spent on the wards and everything about the institution was given a thorough inspection. Gov. Bell expressed himself as much pleased with the conditions, and had a good word to say for the manner in which Supt. D. D. Grout was caring for the patients. Gov. Bell was accompanied by Messrs. Adine and Jennie Bell, Col. Williams and Miss Williams, Col. Billings, Col. Wells and wife, Col. Roberts and wife, Col. Dole and Charles S. Walter, secretary of civil and military affairs. Most of the party left on the noon express for Montpelier.

## SUNDAY SCHOOL MEETING.

A Prosperous Year in Caledonia County—Officers Elected.

Passumpsic, Sept. 13.—The annual meeting of the Caledonia county Sunday school convention closed a two days' session here this morning. The attendance was the largest at any held in this county and much interest was manifested in the conferences and addresses. The Rev. E. M. Fuller, the State superintendent, and Miss Edith M. Hatch, State superintendent of the home department, were present. The county secretary presented a report from 30 of the 54 Sunday schools in the county. The total enrollment is 3,697, an increase of 10 over last year from the same schools. The membership of the home department is 1,747, an increase of 100 over last year. Twelve schools have a cradle roll with 272 members, a gain of 114 over last year. These schools have contributed \$35.72 for benevolent purposes, \$200.45 for organized Sunday school work and 148 members have been received into the church during the year.

These officers were elected for the coming year: President, the Rev. E. G. French, Lyndonville; vice-president, Arthur E. Stone, St. Johnsbury; secretary, Mrs. Ellen A. Staples, Lyndonville; treasurer, John E. Tinker, Danville; superintendent home department, Walter C. Roddick, St. Johnsbury; superintendent elementary work, Miss Wilhelmina A. Preston, Danville; superintendent training, the Rev. W. C. Clark, Lyndonville; State director, the Rev. A. H. Gage, St. Johnsbury.

## TO USE NEW SPELLING.

Western Newspaper to Put It Into Partial Practice To-morrow.

Indianapolis, Sept. 13.—The Indianapolis, the Terre Haute and the Muncie Star newspapers to-morrow will announce that the Star in the three cities will put into effect Tuesday morning the new and editorial spelling of 180 of the 300 words recommended by the Carnegie spelling board as endorsed by President Roosevelt. In the use of the remaining 111 words, the Star will adhere to the old forms for the present. The announcement concludes as follows:

"And yet no reform can be pushed ahead more rapidly than it can carry public sentiment and popular usage behind it. Therefore the Star will not adopt those of the Carnegie forms which seem too revolutionary or offensive to the cultivated eye."

## ANNUAL RAILROAD MEETING.

St. Johnsbury, Sept. 13.—At the annual meeting of the stockholders of the St. Johnsbury & Lake Champlain railroad, held here this afternoon, the old board of directors were chosen as follows: Carroll S. ## BOY ACCIDENTALLY SHOT.

Lionel Culver of Stowe Has 15 Shots in His Side.

Stowe, Sept. 13.—Lionel, the 15-year-old son of Daniel Culver of "Nebraska," was accidentally shot yesterday, receiving a charge of 15 shot in his left side. It was thought at first he was fatally wounded, but to-day the physicians said recovery is probable.

Young Culver was helping his father fell a tree which fell across a gun he had taken into the woods with him. The boy went to pull the gun from beneath the tree with the muzzle pointed towards him. The gun was discharged and the shot tore through his left hand lacerating it terribly and then passed into his left side.

Doctors Brown and Morgan were summoned and found one of the shot so near the heart that they thought the boy could not recover. His condition to-day, however, is such that they think recovery probable.

## SEEKS DIVORCE.

Refusal to support and intolerable severity the Charges Made.

Rutland, Sept. 13.—Lillian G. Dwyer of this city has brought suit in Rutland county court against Maj. H. Edward Dyer, commander of the second battalion, Vermont National guard, for divorce on the grounds of refusal to support and intolerable severity. An appearance for the defense to fight the case has not been entered with the county clerk. It is probable that the case will be tried at the present term of court. Maj. and Mrs. Dyer were married December 6, 1892. They have two daughters.

## "THE BOY BROKER" DEAD.

Threw Himself Under Wheels of a Trolley Car—Mind Unbalanced.

New York, Sept. 13.—Charles A. Wilson, aged 22 years, known as "the boy broker," and said to have made a fortune as a curb broker in Wall street, threw himself under the wheels of a trolley car at Fort Lee, N. J., Saturday night, receiving injuries from which he died soon afterward. The body was identified to-day. Wilson had recently recovered from an attack of typhoid fever and the suicide is believed to have been due to an unbalanced mind.

Several years ago Wilson surprised Wall Street by his youthful speculations which were reported to have resulted in large profits. Subsequent investments proved unsuccessful and he abandoned the curb for a responsible position with a business house.

## GOLF AT MONTPELIER.

Eight Men Qualified for the Championship Contest.

Montpelier, Sept. 13.—The qualifying round for the golf championship at the Montpelier Country Club was played Saturday afternoon. The lowest eight gross scores for 18 holes to qualify: E. D. Field, G. K. Putnam, H. F. Leslie, B. B. Bailey, F. A. Howland, C. E. Kingsbury, C. E. Lowe and A. A. Helms qualified. In the drawing for position it was decided that Field will play Leslie, Kingsbury will play Lowe, Bailey will play Howland and Putnam will play Helmsman. The first round is to be played before next Wednesday night, the semi-finals by Friday night and the finals on Saturday, September 22. This contest will be for an elegant trophy on which will be inscribed the winner's name. If he can get his name thereon for three successive years the cup is to be his private property.

The weekly handicap Saturday afternoon was won by G. M. Heaton, with a net score of 35 for 9 holes, with Goodenough and Helmsman tied for second place.

## THE DEATH RECORD.

Former Governor Bliss of Michigan a Victim of Apoplexy.

Milwaukee, Wis., Sept. 13.—Former Governor Aaron Thomas Bliss of Michigan died this morning at Sacred Heart sanatorium of apoplexy.

Aaron T. Bliss former governor of Michigan, and a one term member of Congress, 1888-1890, was born on a farm in Madison County, N. Y., in 1837. He had resided at Saginaw, Mich., and amassed a large fortune in the lumber trade. In 1887 he was commander of the Michigan department of the Grand Army. Governor Bliss was married in 1867 and Mrs. Bliss survived him. They had no children.

## VOLUME IS LARGE

Unprecedented Amount of Business for This Period of the Year.

## ELEMENT OF UNCERTAINTY

Expectation of Cheaper Raw Material Causes Some Hesitation in Primary Cotton Market—Some Irregularity in Woolen Fabrics—Industries Are Strong.

New York, Sept. 14.—R. G. Dun & Co.'s weekly review of trade to-morrow will say:

The volume of trade continues beyond precedent for the period and there are no important labor struggles to handicap progress. Autumn distribution is very heavy, traders as a rule preparing for needs well into the future, while mercantile collections are quite as prompt as could be expected in view of the tight money market. There is some uncertainty in primary markets for cotton goods, owing to the expectation of lower prices in response to cheaper raw material but as yet no concessions are offered. Demand for woolen fabrics is also somewhat irregular. Other leading industries report great activity and strength. Prices of commodities rose during August in the aggregate, dairy and garden products supplying most of the advance. Compared with the position a year ago, the advance is four per cent. Railway earnings for the first week of September exceeded the figures of 1905 by 7.9 per cent. Foreign commerce for the last week at this port showed a loss of \$13,666 in exports, while imports increased \$13,531 as compared with the same week last year. Failures this week numbered 174 in the United States against 194 last year and 56 in Canada against 59 a year ago.

## IMMENSE BUSINESS WEST.

Most Crop and Industrial Reports Are Favorable.

New York, Sept. 14.—Broadstreet's to-morrow will say:

Trade, crop and industrial reports are still almost uniformly favorable. An immense business is doing in the West and Northwest, southern trading shows expansion, and inability to get adequate supplies of many lines of goods is the main subject of complaint at eastern markets. September, like August appears to be scoring heavy gains over the corresponding month a year ago. Official crop reports confirm previous public and private advices of very large, if not record yields, but prices and traffic conditions are a bar to free movements.

Price of staples show great strength, all things considered, and are in fact at the highest level yet touched. Railway earnings are heavy, those for August gaining 13 per cent. A new high record for that month. Warm weather is a bar to activity in retail trade.

Business failures for the week number 164 against 131 last week, 138 in the like week of 1905, 196 in 1904, 169 in 1903 and 182 in 1902.

## THE GREAT NORTH COUNTRY.

Nimrod was a mighty hunter, but had he hunted in the "Highlands of Ontario" he would have been a mighty one. Nimrod hunted for glory, but those who go into the several districts of Northern Ontario hunt for game. Those Indians who made the first canoe of birch bark long ago were our greatest benefactors. The children of these Indians know the canoe, and they know how to use it, and they know just where the moose and deer are to be found. They will be the best guides you ever had. "The Muskoka Lakes," "Lake of Bays," "Magnetawan River," "French River," "Temagami," "Georgian Bay" and several other districts in this Great North Country abound with deer and moose. The best hunting on the American Continent is offered here. Write the undersigned for copy of "Hunts of Fish and Game," an illustrated publication issued by the Grand Trunk Railway System, giving all information, game laws, maps, etc. J. Quinlan, District Passenger Agent, Bonaventure Station Montreal. 213.d&wim.

## YOUNG GIRL EXECUTED.

Her Last Words Were "Long Live the Social Revolution for Land and Liberty."

St. Petersburg, Sept. 13.—"Long live the social revolution for land and liberty." These were the last words of Zenaida Konovalenko the girl who assassinated Gen. Min last month and was sentenced to death by court martial.

They were uttered as the rope was placed around her neck.

She refused to see a priest prior to her execution. She mounted the scaffold with a firm step and would not be aided.

On a photograph she sent to her sister she wrote the words "My life was all I had to give."

## THE HAUNT OF BIG GAME.

Ontario is the mecca for the sportsman and hunter. Deer and moose abound in the several districts that are reached by the Grand Trunk Railway System including "Muskoka," "Lake of Bays," "Magnetawan River," "Lake Nipissing," "French River," "Temagami," "Georgian Bay," and several points on the Ottawa Division, between Scott's Junction and Algonquin Park. Last year nearly 12,000 deer and 300 moose were taken out of this territory and from reports received this year, the supply is as great as ever. All hunting districts are of access. Full particulars in "Hunts of Fish and Game," an illustrated publication giving all information, game laws, etc., sent free, on application to J. Quinlan, District Passenger Agent, Bonaventure Station, Montreal. 213.d&wim.

## BUILDER OF VT. CENTRAL.

Daniel H. Wood Died in Montclair Thursday—Noted Engineer.

New York, Sept. 13.—Daniel H. Wood, a noted civil engineer, died in Montclair to-day. Mr. Wood built 1,000 miles of railroad. Among the roads he constructed were the Vermont Central, Green Mountain division of the Bellows Falls and Rutland, the Syracuse and Binghamton, New York, Oswego, Madison and the Susquehanna. He was born in Concord, Mass., in 1823 and began building railroads in 1840.

## TRADE IN YOUR INFERIOR SEPARATORS

Many users who would like to change their inferior machines of various kinds for a new DE LAVAL CREAM SEPARATOR

do not understand that while such second-hand machines have no salable value the De Laval Company makes very fair "trade" allowances for them, just to get them out of the way and through this illustration of the difference between good and poor separators stop the sale of others like them in the neighborhood. Nobody is defrauded by their re-sale as they are simply "scrapped" at their real value.

Then there are thousands of DE LAVAL users who should know that they may exchange their out-of-date machine of ten to twenty years ago for the very much improved and larger capacity ones of to-day. These old machines are refinished and sold over again to those who don't think they can afford the price of new ones.

Write in a description of your old machine—name, size, serial number, and date purchased—or else see the nearest DE LAVAL agent about it.
